Jquery Hide and Show

This screenshot shows the third exercise on the w3schools jQuery Hide and Show tutorial page. The left sidebar indicates that 13 of 60 exercises are completed, with 'jQuery Hide and Show' selected and 'Exercise 3' highlighted. The main content area contains the instruction: 'Use a jQuery method to show a <p> element.' Below this, a code editor shows the following JavaScript code:

```
$("#button").click(function(){
    $("#p").show();
});
```

At the bottom of the code editor is a 'Show Answer' button. A green 'Submit Answer >' button is located below the code editor. The browser's taskbar at the bottom shows various open applications and the system clock at 11:18 PM on 10/3/2021.

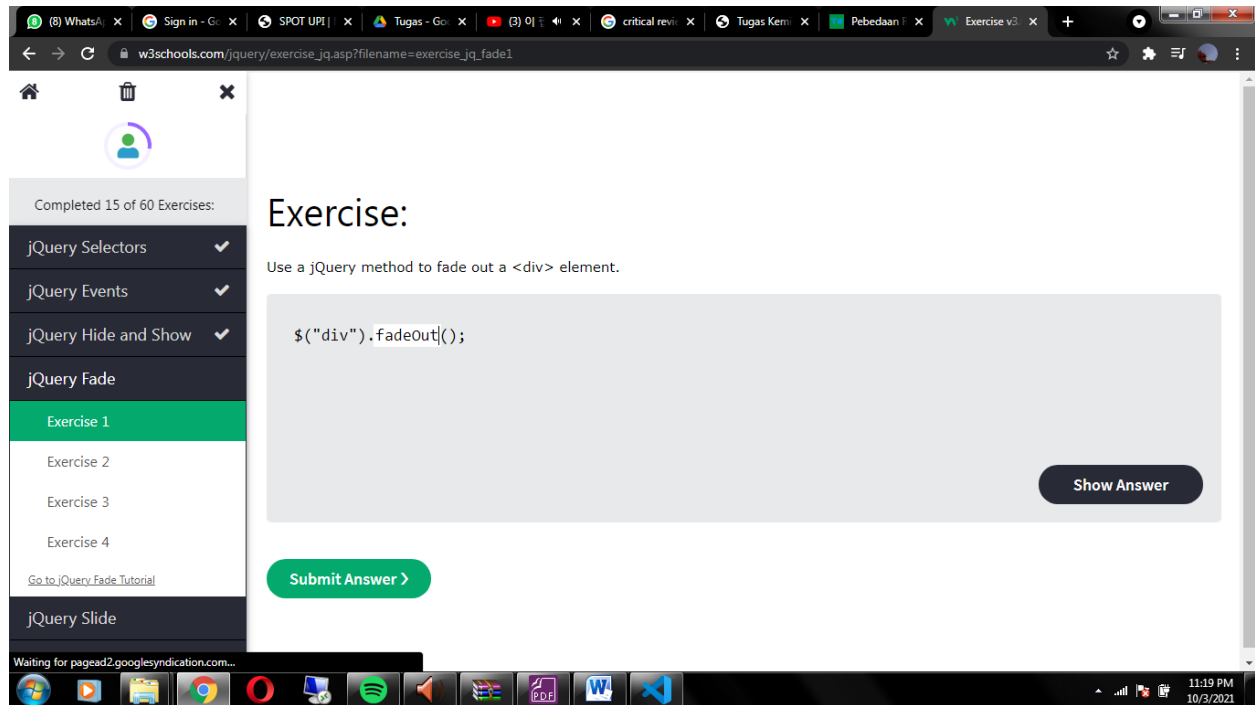

This screenshot shows the fourth exercise on the w3schools jQuery Hide and Show tutorial page. The left sidebar indicates that 14 of 60 exercises are completed, with 'jQuery Hide and Show' selected and 'Exercise 4' highlighted. The main content area contains the instruction: 'Use a jQuery method to toggle between hiding and showing a <p> element.' Below this, a code editor shows the following JavaScript code:

```
$("#button").click(function(){
    $("#p").toggle();
});
```

At the bottom of the code editor is a 'Show Answer' button. A green 'Submit Answer >' button is located below the code editor. The browser's taskbar at the bottom shows various open applications and the system clock at 11:18 PM on 10/3/2021.

JQuery Fade

The screenshot shows the w3schools.com jQuery exercise page for 'jQuery Fade'. The browser's address bar displays the URL: `w3schools.com/jquery/exercise_jq.asp?filename=exercise_jq_fade1`. On the left, a sidebar lists navigation options: 'jQuery Selectors', 'jQuery Events', 'jQuery Hide and Show', 'jQuery Fade' (selected), 'Exercise 1' (highlighted), 'Exercise 2', 'Exercise 3', 'Exercise 4', 'Go to jQuery Fade Tutorial', 'jQuery Slide', and 'jQuery Animate'. The main content area is titled 'Exercise:' and contains the instruction: 'Use a jQuery method to fade out a <div> element.' Below this, a large text input field contains the code `$("div").fadeOut();`. To the right of the input field is a 'Show Answer' button. Below the input field is a 'Submit Answer >' button. The bottom of the page shows a Windows taskbar with various application icons and a system clock indicating 11:19 PM on 10/3/2021.
